PILLOW MENU FOR YOUR UTMOST COMFORT

CONTOUR PILLOW

The contour shape helps to support your neck and head to ensure better comfort during sleep. The contour pillow has two different heights on either end, thus providing the optional choice of higher or lower contour neck positions, helping the alignment of neck, shoulder and spine.

STANDARD LATEX PILLOW

Comfortable and resilient, latex pillows offer superior support, alleviating pressure to the head and shoulders. The pillow naturally contours to your neck for a more relaxed night sleep.

LOCAL COTTON/KEKABU PILLOW

Kapok pillow is firmer and thicker making it ideal for sleepers who like a loftier and supportive pillow. This pillow is filled with layers of domestically grown cotton.

BUCKWHEAT PILLOW

Also known as Sobakawa pillow. The filling is also made up of small buckwheat hulls that gives this pillow a firm feel and allows it to conform to your head and neck for support.

FEATHER PILLOW

Get a restful night sleep with our feather pillow. The fill density is designed to provides comfortable support, while gently cradling your head.

PREGNANCY PILLOW

This pillow is specifically designed to accommodate the contours of the pregnant body and provides support where it is needed the most. The shape is to accommodate sleep positions and helps prevent aches and pains.
