

The Taaras Beach & Spa Resort bestows a bespoke luxury experience amidst warm Asian hospitality for those seeking privacy and exclusivity in luxury. Indulge yourself in unsurpassed natural beauty; the powdery white sandy beaches, crystal-clear waters and luxuriant tropical rainforest, of the most beautiful island in Malaysia.

Location

Geographically, Malaysia is almost as diverse as its culture. 11 states and 2 federal territories (Kuala Lumpur and Putrajaya) form Peninsular Malaysia which is separated by the South China Sea from East Malaysia which includes the 2 states (Sabah and Sarawak on the island of Borneo) and a third federal territory, the island of Labuan. Our multiculturalism has made Malaysia a gastronomical paradise and home to hundreds of colourful festivals.

Redang Island is accessible from the mainland via boat/ferry transfer. Guests can take the Taaras private boat to Redang Island from Merang Jetty.

About Redang Island

Malaysians call their Island 'Pulau Redang' which is thought to be because of the Redang tree that once grew here as well as its literal meaning as 'a stop-over place'; perhaps long ago to take refuge from pirates on the trade routes between India and China.

Redang is located 45km off the coast of Kuala Terengganu.

The largest (6km by 7km) among a group of Islands dotting the North East Coast of Malaysia and surrounded by the South China Sea
